

Advanced Techniques Using Body Contouring Implants & Facial Implants Masters Educational Series - Super Lab

Saturday, April 2, 2016 (Body Contouring Implants) & Sunday, April 3, 2016 (Facial Implants) - Las Vegas, NV

Distinguished Faculty

William Binder, MD, FACS

Barry L. Eppley, MD, DMD

M. Mark Mofid, MD

Robert J. Troell, MD, FACS

Body Contouring Implants (Observation & Demonstration)

Faculty members Dr. Eppley & Dr. Mofid will lecture and demonstrate gluteal implants, pectoral implants and calf implants on a cadaver. See reverse side for full program.

Facial Implants (Hands-on Cadaver Workshop)

Faculty members Dr. Binder, Dr. Eppley and Dr. Troell will provide you with an in-depth learning opportunity to help understand the latest techniques in performing facial implant procedures and obtaining the best outcomes in facial contouring. Course includes lectures along with hands-on cadaver time. Two registrants per station. See reverse side for full program.

Tuition Fees:

Body Contouring Only:	\$ 950.00 (before March 4, 2016); \$1,100.00 (after March 4, 2016)
Facial Implants Only:	\$1,500.00 (before March 4, 2016); \$1,800.00 (after March 4, 2016)
Both Courses:	\$2,200.00 (before March 4, 2016); \$2,600.00 (after March 4, 2016)

Registration:

To register for this workshop or for additional information, please contact Karen Hawkins by email at khawkins@implantech.com or phone at 800.733.0833.
